

June 15, 2015

Effective June 15, 2015, the West Virginia Health Care Authority has established the following fee structure for certain types of reports and data in order to reasonably reimburse the Authority for its costs in making copies of the reports available and in fulfilling custom requests.

**Fee Schedule for Financial Disclosure Data and Reports
Effective June 15, 2015**

Description	Price
Standard Reports of Financial and Utilization statics.	Paper copies \$0.50 per page. \$10 per electronic file, plus \$0.50 per page for paper copies. (Note that some reports may be retrieved electronically and free of charge from the Health Care Authority online archive at http://hcawv.org/vs5FileNet/)
Standard Reports based upon Hospital Discharge Uniform Billing data.	\$65 per report. (Note that some data may be retrieved electronically and free of charge using the Health IQ query tool at http://www.hcawv.org/vs5HealthIQ2/ and from the AHRQ H-CUP query tool at http://ahrq.gov/hcupnet/)
Custom Reports based upon Financial and Utilization data or Hospital Uniform Billing data sets	\$125 per report. (Additional fees may apply for excessive programming time.)
Annual Hospital Discharge Uniform Billing data sets	Annual files are available from AHRQ H-CUP central distributor at http://www.hcup-us.ahrq.gov/tech_assist/centdist.jsp
Paper Copies of Reports	\$0.50 per page
Shipping	Additional shipping costs will be applied for costs above \$1.00 or if signature confirmation of delivery is required by policy. No additional shipping cost will be incurred for certified mail delivery. Overnight delivery will be billed at the standard rate or charged to requestors' FedEx account.
Retrieval of paper reports from Archival Storage	\$15 per box accessed to retrieve a document. This is the actual cost of document retrieval.

Pricing is subject to change
