*To file a rate application based on the benchmarking methodology, a hospital must use this ranking to determine the increase it may request. The maximum rate is determined by averaging the percentages calculated from the charge and cost determinations. Only hospitals with fiscal years ending on 12/31/13, 6/30/2014, and 9/30/2014 used this ranking.

**Adjusted by the hospital's FY 2011 all payor case mix index.
