Source: WVHCA Ambulatory Surgery Center Survey. Procedure data for single specialties from Services Rendered reports submitted by facilities.

*Cabell-Huntington Hospital acquired the remaining partnership interests in Cabell-Huntington Surgery Center and purchased Cook Eye Center; both entities are now operated as units of the hospital.

**FY 2013 data is partial year data for both ASCs.

**Includes only data from the ASC.

***Multiple specialty, currently providing only Ophthalmology.
