Hospital Data Submission System

Payer Coding Specification

Social & Scientific Systems

August 2018

The following is the required format for payor codes on the Uniform Bill data submitted to the West Virginia Health Care Authority (HCA). All bills for inpatients discharged after December 31, 1995 must include this coding scheme.

Field Attributes: 1 field
 5 positions
 Alphanumeric
 All positions fully coded

Note: The 5-digit code requires 1 digit each in the following sequence:

1. HCA Notation
2. Type of Payor
3. Payment Program
4. Payment Modality
5. HMO

All positions must be fully coded. The coding structure that follows can be used to determine the appropriate code for any payor. A sample list of payor codes is also included.
