

**Table 22**  
**West Virginia Hospitals - General Acute, Critical Access**  
**July 2009 - June 2012 Readmission and Mortality Information**

Hospital Name	Condition	Comparison with National 30-Day Measure	
		Death (Mortality) Rates	Readmission Rates
<b>General Acute Care Hospitals</b>			
Beckley ARH	Heart Attack	No Different	Number of Cases Too Small
Beckley ARH	Heart Failure	No Different	Worse
Beckley ARH	Pneumonia	No Different	No Different
Bluefield Regional	Heart Attack	No Different	No Different
Bluefield Regional	Heart Failure	No Different	No Different
Bluefield Regional	Pneumonia	No Different	No Different
Cabell Huntington	Heart Attack	No Different	No Different
Cabell Huntington	Heart Failure	No Different	No Different
Cabell Huntington	Pneumonia	No Different	No Different
CAMC Memorial	Heart Attack	No Different	No Different
CAMC Memorial	Heart Failure	Better	No Different
CAMC Memorial	Pneumonia	No Different	No Different
CAMC Teays Valley	Heart Attack	No Different	Number of Cases Too Small
CAMC Teays Valley	Heart Failure	No Different	No Different
CAMC Teays Valley	Pneumonia	No Different	No Different
Camden-Clark Medical Center	Heart Attack	No Different	No Different
Camden-Clark Medical Center	Heart Failure	No Different	Worse
Camden-Clark Medical Center	Pneumonia	No Different	No Different
City Hospital	Heart Attack	No Different	No Different
City Hospital	Heart Failure	No Different	No Different
City Hospital	Pneumonia	No Different	No Different
Davis Memorial	Heart Attack	No Different	No Different
Davis Memorial	Heart Failure	No Different	Worse
Davis Memorial	Pneumonia	No Different	No Different
Fairmont General	Heart Attack	No Different	No Different
Fairmont General	Heart Failure	No Different	No Different
Fairmont General	Pneumonia	No Different	No Different
Grant Memorial	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Grant Memorial	Heart Failure	No Different	No Different
Grant Memorial	Pneumonia	No Different	No Different
Greenbrier Valley	Heart Attack	No Different	Number of Cases Too Small
Greenbrier Valley	Heart Failure	No Different	No Different
Greenbrier Valley	Pneumonia	No Different	No Different
Jackson General	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Jackson General	Heart Failure	No Different	No Different
Jackson General	Pneumonia	No Different	No Different
Logan Regional	Heart Attack	No Different	Number of Cases Too Small
Logan Regional	Heart Failure	No Different	No Different
Logan Regional	Pneumonia	No Different	Worse
Monongalia General	Heart Attack	No Different	No Different
Monongalia General	Heart Failure	No Different	No Different
Monongalia General	Pneumonia	No Different	No Different
Ohio Valley	Heart Attack	No Different	No Different
Ohio Valley	Heart Failure	No Different	No Different
Ohio Valley	Pneumonia	No Different	No Different
Pleasant Valley	Heart Attack	No Different	No Different
Pleasant Valley	Heart Failure	No Different	No Different
Pleasant Valley	Pneumonia	No Different	No Different

**Table 22**  
**West Virginia Hospitals - General Acute, Critical Access**  
**July 2009 - June 2012 Readmission and Mortality Information**

Hospital Name	Condition	Comparison with National 30-Day Measure	
		Death (Mortality) Rates	Readmission Rates
Princeton	Heart Attack	No Different	No Different
Princeton	Heart Failure	No Different	No Different
Princeton	Pneumonia	No Different	Worse
Raleigh General	Heart Attack	No Different	Worse
Raleigh General	Heart Failure	No Different	No Different
Raleigh General	Pneumonia	No Different	Worse
Reynolds Memorial	Heart Attack	No Different	No Different
Reynolds Memorial	Heart Failure	No Different	No Different
Reynolds Memorial	Pneumonia	No Different	No Different
St Francis	Heart Attack	No Different	No Different
St Francis	Heart Failure	No Different	No Different
St Francis	Pneumonia	No Different	No Different
St. Joseph's (B)	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
St. Joseph's (B)	Heart Failure	No Different	No Different
St. Joseph's (B)	Pneumonia	No Different	No Different
St Mary's	Heart Attack	Better	No Different
St Mary's	Heart Failure	No Different	No Different
St Mary's	Pneumonia	No Different	No Different
Stonewall Jackson	Heart Attack	No Different	Number of Cases Too Small
Stonewall Jackson	Heart Failure	No Different	No Different
Stonewall Jackson	Pneumonia	No Different	No Different
Summersville	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Summersville	Heart Failure	No Different	No Different
Summersville	Pneumonia	No Different	No Different
Thomas Memorial	Heart Attack	No Different	No Different
Thomas Memorial	Heart Failure	No Different	No Different
Thomas Memorial	Pneumonia	Worse	No Different
United Hospital	Heart Attack	No Different	No Different
United Hospital	Heart Failure	No Different	No Different
United Hospital	Pneumonia	No Different	No Different
Weirton Medical	Heart Attack	No Different	No Different
Weirton Medical	Heart Failure	No Different	No Different
Weirton Medical	Pneumonia	Better	No Different
Welch Community	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Welch Community	Heart Failure	Number of Cases Too Small	Number of Cases Too Small
Welch Community	Pneumonia	No Different	No Different
Wetzel County	Heart Attack	No Different	No Different
Wetzel County	Heart Failure	No Different	No Different
Wetzel County	Pneumonia	No Different	No Different
Wheeling	Heart Attack	No Different	No Different
Wheeling	Heart Failure	No Different	No Different
Wheeling	Pneumonia	No Different	No Different
Williamson	Heart Attack	Number of Cases Too Small	Number of Cases Too Small
Williamson	Heart Failure	No Different	No Different
Williamson	Pneumonia	No Different	No Different
WVU Hospitals	Heart Attack	No Different	No Different
WVU Hospitals	Heart Failure	No Different	No Different
WVU Hospitals	Pneumonia	No Different	No Different
