

## CBM-1-A

### UTILIZATION STATISTICS INSTRUCTIONS

#### INPATIENT DAYS

For the projected actual and budget fiscal years, provide inpatient day totals for the five payor groups for acute and the Distinct Part Unit(s)\*.

**NOTE: Include Hospice on line 1 and line 4 with acute.**

Do **NOT** include nursery days in the calculations. **Nursery days to be EXCLUDED are MS-DRG 794 and 795 with revenue code 170 and 171.**

**NOTE: Out-of-State Medicaid** should be reported in the **Medicaid payor class** and **DOL Black Lung** should be **reported** in **Medicare** or the **Other Governmental** payor class as determined by the primary payor.

\*The Authority no longer sets Distinct Part Unit rates. The data for the Distinct Part Units are **NOT** to be included with acute care data. The data for all of the hospital's Distinct Part Units should be combined and included under the category of "**Hospital Distinct Part Units**".
